

# Terms of use for ITER audiovisual and photographic material

Use of ITER audiovisual and photographic material is subject to the following conditions:

1. ITER Organization provides pictures and videos on its public website which are free of charge for educational and informational use. For any other use, prior clearance must be obtained from the Communication Office
2. ITER Organization is to be credited as the source of the material:  
Credit © ITER Organization, <http://www.iter.org/>
3. ITER Organization retains copyright in the pictures and videos. Download and use of the image does not amount to a transfer of intellectual property
4. ITER Organization reserves the right to alter or delete images without notice
5. The pictures and videos may not be sold, distributed or otherwise made available for use by third parties
6. The pictures and videos may not be used in an inappropriate manner, and should not suggest any kind of endorsement by ITER or its personnel

ITER Organization appreciates your interest in its work.
