

# ITER POSTDOCTORAL FELLOWSHIPS 2026

The 2026 ITER recruitment campaign is a general call for postdoctoral researchers that combines the **Monaco-ITER program funded by the Principality of Monaco** and **postdoctoral positions funded directly by the ITER Domestic Agencies** (such as the Korean Domestic Agency).

Please respond to this general call if you are interested in either of these programs.

Apply by **1 March**

The 2026 campaign launches on **12 January 2026**.  
Use the QR code above for more information.
